

TOUR-MATE COLLABORATES WITH THE AGO FOR PICASSO: MASTERPIECES FROM THE MUSSÉE NATIONAL PICASSO, PARIS

April 24, 2012 – Tour-Mate Systems will once again provide audio interpretation for the Art Gallery of Ontario at the upcoming exhibition *Picasso: Masterpieces from the Musée National Picasso, Paris*. More than 150 of Picasso's masterpiece paintings, sculptures, prints and drawings will be on display to AGO visitors. The exhibition covers a major survey of masterworks from one of the most inventive and influential artists of the 20th century.

This is the exhibition's final stop after a 3 continent tour. The audio tour will be delivered to exhibition visitors via the Tour-Mate SC550 hand held Listening Wand System.

The exhibition runs from May 1st – August 26th, 2012.
