

## TOUR-MATE COLLABORATES WITH THE BILTMORE ESTATE TO PROVIDE INTERPRETATION

*May 2, 2013* – Leading interpretive and audio tour specialist Tour-Mate Systems Canada Ltd. is pleased to announce that it has been selected to provide multiple interpretive systems as well as new tours for Biltmore in Asheville, NC.

Biltmore House, is a Châteauesque-styled mansion built by George Washington Vanderbilt II between 1889 and 1895 and is the largest privately-owned house in the United States, featuring 250 rooms. It stands today as one of the most prominent remaining examples of the Gilded Age.

In addition to collaborating with Biltmore to create a new general and family audio tour, Tour-Mate will be providing the company with its SC550 hand held Listening Wands and a TM-200 Group Guide system. A TourMedia multimedia system will also be provided to enable Biltmore to provide a text based tour for visitors with serious hearing impairments.

Neil Poch, President of Tour-Mate Systems Ltd., said, "Biltmore is an extraordinary venue. We are honored that they have selected Tour-Mate as the company they wish to work with to provide interpretation to their visitors."

The installation of the SC550, TourMedia and TM-200 systems is scheduled for July 2013.
